

Breed-related European show for all colour lofts of Rex rabbits, Small Rex, Dwarf Rex, Dwarf Ram Rexe recognised in the EE and dwarf ram in Pirmasens – Exhibition Hall 6 A on 12 and 13 December 2026

Exhibition regulations

1. The regulations for the implementation of breed-related European shows in the rabbit division, as well as the provisions set out here, apply. With the animal registration, these regulations are expressly accepted by the exhibitor.
2. The exhibition is organized and carried out by the State Association of Breed Rabbit Breeders Rhineland-Palatinate e.V. Exhibition directors are **Brian Steiner, Schulstr.5 76891 Bundenthal** and **Steffen Hutzler, Dankelsbachstr.59 66953 Pirmasens**
3. All members organised in the EE Association who have fulfilled their obligations to the respective association and its sub-organisations are entitled to exhibit.
4. Registration must be made exclusively online at www.schau-anmeldung.de. If you have any questions, please contact the IT officer **Steffen Hutzler** of the LV RLP (e-mail: kaninchenausstellung-rlp@t-online.de). **The B-form will be sent to the exhibitor by email or post.**
5. Registrations can be made in accordance with the EE regulations (to be found at www.entente-ee.com/sparten/kaninchen/reglemente/) Collections with 4 animals of both sexes as well as individual animals of all colours recognised in the EE standard of the breeds Rex Rabbit, Small Rex, Dwarf Rex, Dwarf Ram - Rexe and Dwarf Ram.
6. The following classes are formed: a) Youth class b) General class
7. The **European Champion** Title is awarded to the collections of four with the highest total number of points, if at least 20 animals of one breed are registered. If 20 animals are also exhibited within the individual colour lofts, another title will be awarded there, provided that the remaining colour lofts are represented by a total of at least 20 animals. In the event of a tie on points, both exhibitors will receive the title of European Champion. To document the title achieved, the exhibitor will receive a corresponding certificate. In the youth class, **European Youth Champion** Titles are awarded according to the same conditions, but instead of 20 animals, 10 animals are already sufficient for the award.
8. With at least 20 registered animals within each breed, the title **Europa-Champion** . Regardless of gender, the best animal will be awarded a certificate. If more than 40 animals are registered per breed, the best male and the best female animal will be awarded this title. If individual colour lofts meet these requirements (20 or 40 animals), further titles 'European Champion' can be awarded within the breed, provided that the remaining colour lofts are represented by at least 20 animals in total. In the junior class, **Youth European Champion** Titles are awarded according to the same conditions, but instead of 20 animals, 10 animals or instead of 40 animals 20 animals are already sufficient for the award.
9. Each exhibitor receives a **Commemorative medal**. **EE Medals** will be awarded according to the regulations by the EE. Further prizes will be awarded after receipt of honorary prize donations.
10. Exhibition fees:

Cost contribution per animal	8,00 €	Collection surcharge	6,00 €
Feed money per animal	1,00 €	Mandatory catalogue (per family)	10,00 €
levy per animal	0,50 €	administrative costs share	2,00 €
11. The catalogue obligation only exists once per family and not for young breeders. **Feeding cups and nipple drinkers** must be brought or purchased by the exhibitor and attached to the enclosures. € 1 per food cup and € 3.50 per nipple drinker A fee of € 1.50 per animal is charged for animal registrations.
The exhibition fees will be debited from the exhibitor's specified account. The issuer must ensure that the account is sufficiently funded. If the issuance cannot be carried out due to force majeure or similar circumstances, the amount necessary to cover the costs incurred will be retained as a percentage of the cost share.
12. Animals can only be sold through the exhibition management. The buyer bears a brokerage surcharge of 15%. Purchased animals can only be stabled from 12.12.2026 12 noon.
13. All animals must have effective vaccination protection against the variants of RHD. A vaccination certificate does not have to be handed in at insertion.
14. By submitting the registration form, the exhibitor, or in the case of young people, the legal representative, agrees to the publication of personal data in the catalogue (in particular name, address, telephone number as well as the identification and evaluation data of the exhibited animals). Furthermore, this data and photos, including those of the animals, may be transmitted to the specialist bodies, to print and other media. On the homepages of the clubs and associations concerned, the organiser may publish lists with exhibitor names, club and association membership, exhibition results and photos. The following personal data of the exhibitor: name, address, availability, club membership and account data will be stored in the show programme on the basis of Art. 6 para. 1 lit. b) GDPR.

15. According to the regulations of the EE, it is not possible to appeal against an animal exclusion at a European show.

16. In all disputes between the exhibitors and the exhibition management, legal recourse is excluded. The exhibition management makes the final decision in conjunction with the organizer. Should an animal suffer damage due to culpable conduct of the organizer, he is liable according to the provisions of the EE. Claims for losses due to force majeure or unforeseen events cannot be asserted.
